

# The Douglas Difference

With professional development budgets stretched tightly today, it is important that you obtain the best training available. For over four decades our management courses have been recognized as Canada's gold standard in leadership and management development.

**1. Canada's Most Comprehensive and Longest Running Leadership and Management Development Program**

For three decades, we have worked closely with HR departments, managers and other stakeholders to ensure that our courses meet and exceed the rigorous needs of our participants. It is from this extensive experience that we have meticulously crafted our program. The praise the Banff and Niagara Management Courses have received reflects the persistent research and subsequent revision which ensures that the program is at the cutting edge.

**2. Highly Qualified Faculty**

We use the Canadian University standard. All of our courses are taught by academically qualified faculty - not scripted presenters. Knowledgeable and entertaining speakers, our faculty members hold at least a Master's Degree from a fully accredited university and one or more professional qualifications, (Ph.D., CMC, PMP, etc.). Our team members also have on average 15 years' experience providing professional management training.

**3. Uniquely Canadian Content**

This course recognizes the real differences that exist in our Canadian corporate culture, our public sector and our unique organizations and the roles we play within them. This course is diverse and inclusive. Our courseware, cases and faculty are proudly Canadian.

**4. A Truly Limited Enrollment Seminar**

We know your time is valuable, that is why this is not a conference in which you will be crammed into a ballroom with hundreds of others to listen to a bevy of motivational speakers. The Banff Management Course is a content-rich, practical educational experience in which the communication is "two-way" and real, concrete skills are taught. At this course you are a participant not an audience member. You will leave this carefully tailored program with NEW practical skills that will immediately enhance your management, organizational and interpersonal skills.

**5. First-Class Accommodation Included**

One of the greatest benefits of attending a truly limited enrollment residential program comes from the networking and camaraderie that takes place outside of the educational sessions. It is for this reason that, unlike other courses, where participants must arrange their own accommodation, at this seminar we provide and include your hotel accommodation so that everyone is under the same roof. For more specific information including meals, reception, etc. please visit the website for this program: [www.banffcourse.com](http://www.banffcourse.com)
