# THE DOUGLAS DIFFERENCE

We are committed to providing you with the best training available. For 48 years, our flagship seminar, **The Annual APC Certification Administrative Professionals Course**, has been recognized as the gold standard in administrative professional education for the following reasons:

## 1. The Most Comprehensive and Longest Running Administrative Professionals Program

Since day one, we have worked closely with HR departments, managers, and administrative professionals themselves to ensure that our courses meet the rigorous needs of our participants. It is from our experience over the last four decades that we have meticulously crafted our programs. The praise this course consistently receives reflects our persistent research and subsequent revision, ensuring this seminar is at the cutting edge.

## 2. Why the Virtual Edition of the 48th Annual Administrative Professionals Seminar?

With record numbers being reported as we continue to battle the Covid-19 pandemic, we have received many requests to provide our clients with a high quality training option, fully interactive and participatory.

## And you'll be in good company...

Here are some of the more than twenty-thousand organizations that have sponsored participants at our public seminars:

# COURSE FRAMEWORK

## MANAGING SELF

Success and satisfaction in your present and future responsibilities are dependent on a number of self-management skills. By improving your abilities at strategic execution – managing projects, priorities and deadlines, while deflecting job-related stress, improving your emotional intelligence and developing your memory and concentration, you will gain a deeper sense of accomplishment and fulfillment. At the 46th Annual Administrative Professionals Course: The Influential Assistant, you will learn how to:

- Manage multiple objectives, projects and conflicting priorities
- Learn to handle the three types of events that erode your effectiveness – the unimportant task, the unanticipated task and other people's priorities
- Develop greater self-awareness: Your style - strengths and weaknesses
- Identify and overcome irrational beliefs that might be holding you back
- Remarkably improve your ability to remember names and faces
- Learn how to deliver speeches and presentations without the need for notes.
- Develop strategies for preventing, reducing, and managing stress
- Solve project issues quickly and come in on time – every time!
- Develop easy-to-implement proactive strategies to better predict, plan, and prepare for the future and avoid the problems along the way
- Increase your long-term professional value with NEW skills, tools and strategies!!

## STEPPING UP TO LEADERSHIP

From Administrative Assistant to Administrative Professional. While some of the “old guard” believes that the 90's name change from secretary to administrative assistant to administrative professional is just another example of political correctness, it in fact represents a true paradigm shift. Many of the functions and responsibilities of management have fallen on the shoulders of administrative professionals as organizations have downsized over the past decade. In this important session, we will discuss this new reality and develop those crucial management tools needed to take you to a higher level of proficiency. You will learn how to:

- Make the vital transition from administrative assistant to administrative professional
- Understand your changing role and your manager's expectation
- Increase your credibility as your boss's representative
- Learn to apply the 9-step coaching model with juniors
- Position yourself for greater responsibility
- Recognize and complement your boss's unique management style
- Apply the iMind construct for gaining the respect of your boss
- Adopt new planning skills for anticipating and proactively supporting your boss
- Gain your managers trust in problem solving and decision making
- Take unnecessary pressure off your boss
- Increase the respect of your boss and be taken more seriously

## STRATEGIC EXECUTION: GAINING NEW CONTROL OVER YOUR TIME – AND THOSE WHO ABUSE IT

Every day, you're judged by your ability to manage projects, priorities and deadlines. At this essential session, you will develop the understanding, skills, and confidence to put your personal and organizational strategies into action. You will learn how to identify and deal effectively with the unanticipated task, the unimportant task and other people's priorities; specifically, you will learn to:

- Pinpoint where you need to take action
- Identify the deadliest traps busy administrative professionals fall into and how you avoid them
- Develop personal planning techniques that minimize “fire-fighting”
- Recognize and manage your tendency toward perfectionism
- Focus your efforts on what is most important based on your role and responsibilities
- Avoid the trap of using urgency as the tie-breaker between competing priorities
- Learn best practices for effectively prioritizing your time and activities
- Nixon vs. Kennedy: the Pareto Principle
- Preserving your “Prime Time”
- Identify five new ways to handle interruptions
- Avoid the manipulative time-tactics of others
- The one essential question you should answer before ever having a meeting
- Ten essential steps to more successful meetings
- Enhance your ability to act more proactively
- Never say, “I don't have time” again
- Action Plan: Developing a NEW success blueprint

## WORKING WITH OTHERS

The most frustrating limitations placed upon you as an administrative professional have little to do with your technical abilities; rather the most trying aspects of your work often involves dealing with people. To be truly effective in working with others, you must perfect your ability to:

- Enhance your BEHAVIOURAL FLUENCY: Discover how this new breakthrough can vastly improve the quality of your communication in both your professional and your personal life
- Deal more successfully with difficult co-workers and others who create stress in your environment
- CREATING INFLUENCE: Getting greater results with people - when you are not in charge
- Become a true partner with your manager
- Identify your workplace's emotional culture
- Analyze your emotional intelligence strengths and weaknesses and develop specific strategies for enhancing your emotional intelligence
- Discover your unique behavioural style
- Cope with different and sometimes difficult people
- Achieve greater team synergy and effectiveness
- Build an administrative professionals' team and elevate the value of your work
- Building your personal brand: Showcasing the best you!
- Understand the laws of influence - effectively persuading others

## MANAGING STRESS AND EMOTIONS IN CHALLENGING TIMES

Stress has been called the “disease of the twenty-first century.” Unquestionably, the next decade will bring with it continued change and increased challenges for those in the role of administrative professional. The pressure of doing more with fewer resources and tighter timelines will only intensify. Paradoxically, stress can be either “the spice of life or the kiss of death.” The critical difference between positive and negative stress lies in the way we perceive and deal with each stressful situation – in short, the way we cope! At this important session you will come to recognize the sources, symptoms and effects of stress and will develop strategies for effectively preventing, reducing, and managing stress. Specifically, how to:

- Recognize your stress symptoms and create strategies to reduce them
- Gain an understanding of what causes your stress
- Identify the role and impact of change on stress
- Learn to turn stress into personal energy
- How to recognize and deal with “Type A” behaviour
- Role-Stress: Understanding the personal/professional dichotomy
- Examining your conflict management style
- Identifying unfounded attitudes and irrational beliefs that increase stress
- Five common manifestations of low self-esteem
- Why successful and capable administrative professionals struggle with low self-esteem
- What we can learn from Adams, Monroe, Pinze and Prior
- Ten proven ways to enhance self-esteem
- Relaxation and meditation techniques that really work
- Autogenic exercises you can use anywhere
- How to evoke the relaxation response

## ESSENTIAL MEMORY SKILLS FOR ADMINISTRATIVE PROFESSIONALS

To master your memory is to invite success in business, in education and in your relationships. A trained memory is an absolute necessity for today's administrative professional. In your business or professional life as well as in your social life, the ability to remember names and faces, verbal instructions, and numerical data is of immeasurable importance. At this remarkable session, you will learn how to:

- Remember numerical information without time-consuming repetition
- Forget your daily planner – File your weekly appointments in your mind
- Develop laser-like focus and concentration
- Painlessly remember information that will boost your career
- Remember anniversaries and historical dates with ease
- Make a more powerful impression at meetings and presentations
- Razor-sharp your business edge: Remembering verbal instructions and financial data
- Remember the names of hundreds of associates, clients and acquaintances.
- Discover creative powers you didn't know you had
- Enhance your image as a professional
- Cure absentmindedness forever!

## INFLUENCE: GETTING RESULTS WITH PEOPLE WHEN YOU ARE NOT IN CHARGE

Whether you're interacting with colleagues, subordinates or management, gaining respect and cultivating influence are absolutely essential to your success and effectiveness as an administrative professional. In this important segment, you'll focus on the key elements of influencing others and improving workplace relationships, specifically you'll learn to:

- Foster collaboration and influence outcomes
- Increase your ability to exert influence without authority
- Understand the person you are hoping to influence
- Establish instant trust and rapport with others
- Analyze your personal Behavioural Styles Profile
- Adapt your behavioural style to the person you are dealing with
- Understand the role behavioural patterns play in influencing others
- Recognize the major behavioural patterns that exist in organizations
- Cope with different and sometimes difficult people
- Develop influence strategies for turning resistance into agreement
- Deal with negativity in the workplace
- Develop the five communication techniques of all successful administrative professionals
- Learn relationship strategies that lead to recognition and advancement
- Adapt your individual style to those with differing styles
- Get greater results from 'hard to handle' staff
- Handle 'super-agreeables' and those who just tell you what you want to hear
- Learn tips for stopping the "Tough Guy" cold
- Deal with 'snipers' who use innuendos and under their breath comments
- Cope with 'clams', 'complainers' and 'tanks'
- Learn to work through conflict situations while influencing others

**The seminar was excellent. I learned things that will carry over to my professional and personal life. Absolutely enlightening! I feel I have more confidence in myself though discovering my style"**
